

Navy e-Learning CompTIA Courses & TestPrep CompTIA Practice Exams

CompTIA Courses:

Course Title 	Catalog Code 	Description	Status 
CompTIA A+ 2003 Hardware Part 1 - Devices and System Components	14940	This course introduces basic hardware components a...	Active
CompTIA A+ 2003 Hardware Part 2 - Installation and Troubleshooting	14941	This course teaches about SCSI devices and how to...	Active
CompTIA A+ 2003 Hardware Part 3 - Printers, Networks, and Protocols	14942	This course delves into the concepts of memory mod...	Active
CompTIA A+ 2003 OS Technologies Part 1 - Installing	14943	This course presents students with both theoretica...	Active
CompTIA A+ 2003 OS Technologies Part 2 - Configuring and Managing	14944	This course will present instruction on system int...	Active
CompTIA A+ 2003 OS Technologies Part 3 - Troubleshooting	14945	This course presents students with both theoretica...	Active
CompTIA A+ 2003 OS Technologies Part 4 - Network Fundamentals	14946	This course presents students with both theoretica...	Active
CompTIA Network+ 2005: Backup and Restore	16387	This vendor-neutral IT certification program is in...	Active
CompTIA Network+ 2005: Fault Tolerance	16386	This course covers fault tolerance and the methods...	Active
CompTIA Network+ 2005: Introducing Network Technologies	16381	This vendor-neutral IT certification program is in...	Active
CompTIA Network+ 2005: Network Operating Systems	16383	This course introduces the learner to network oper...	Active
CompTIA Network+ 2005: Network Security	16385	This IT certification program is intended to test ...	Active
CompTIA Network+ 2005: OSI Model and Protocols	16382	This IT certification program is intended to test ...	Active
CompTIA Network+ 2005: Troubleshooting Network Problems	16388	This IT certification program is intended to test ...	Active
CompTIA Network+ 2005: WAN Technologies and Services	16384	This course introduces the learner to WAN technolo...	Active
CompTIA Security+ Part 2 - Communication Security	14805	This course introduces the learner to communicatio...	Active
CompTIA Security+ Part 3 - Infrastructure Security	14806	In this course, the learner is introduced to infra...	Active
CompTIA Security+ Part 4 - Cryptography and Operational Security	14807	This course covers cryptography and operational se...	Active
CompTIA Server+ 2005: Hardware and Operating System Installation	16272	This course covers general information about insta...	Active
CompTIA Server+ 2005: Monitoring Server Performance	16274	This course covers the basics and best practices f...	Active

CompTIA Server+ 2005: Server Fundamentals	16270	This course covers general information about serve...	Active
CompTIA Server+ 2005: Server Maintenance and Security	16275	This course covers general information about secur...	Active
CompTIA Server+ 2005: Storage Arrays and Installation Planning	16271	This course covers general knowledge about technol...	Active

CompTIA Server+ 2005: Troubleshooting and Disaster Recovery	16276	This course covers general information about troub...	Active
CompTIA Server+ 2005: Upgrading Processors and Storage Devices	16273	This course teaches the general aspects of upgradi...	Active
CompTIA® Linux+ 2004: Configuration	16262	This series covers basic installation, operation, ...	Active
CompTIA® Linux+ 2004: Documentation and Hardware	16264	This series covers basic installation, operation, ...	Active
CompTIA® Linux+ 2004: Installation	16260	This series covers basic installation, operation, ...	Active
CompTIA® Linux+ 2004: Management	16261	This series covers basic installation, operation, ...	Active
CompTIA® Linux+ 2004: Security	16263	This series covers basic installation, operation, ...	Active
CompTia Security+ Part 1 - Security Concepts	14804	This course introduces the learner to general secu...	Active

TestPrep CompTIA Practice Exams:

TestPrep 220-301 A+ Core Hardware	TP220301_ENG	Generally taken near the end of a program of certi...	Active
TestPrep 220-302 A+ Operating Systems Technologies	TP220302_ENG	Generally taken near the end of a program of certi...	Active
TestPrep N10-003 Network+ 2005	TPN10003_ENG	Generally taken near the end of a program of certi...	Active
TestPrep SK0-002 Server+ 2005	TPSK0002_ENG	Generally taken near the end of a program of certi...	Active
TestPrep SY0-101 Security+	TPSY0101_ENG	Generally taken near the end of a program of certi...	Active
